

## Flour Dust Pizza Company Catering Information

### How It Works

All private parties have a \$1,500 minimum food cost. Applicable sales tax and 18% gratuity will be added to the total for every wedding. A travel fee of \$2 per mile after first 20 miles round trip (from Roseville, CA) is required as part of the catering agreement.

Food from an outside caterer or family member must be accounted for separately, served in a separate area, and include clearly visible signage stating: "Food served on this table is not the caterer's responsibility to manage and is being provided by the family. Please see event manager or family member for assistance." This is to ensure guests aren't confused about who to ask for assistance and who is providing certain foods.

We request a 25% deposit at the time of booking to secure your date.

### Flour Dust Pizza Company Catering Pricing
